24. Pattern workshop of the Vitkovice Iron Works.
25. St. OC. Old steel works of the Vitkovice Iron Works.
26. Din. Dango-Dinental, now the Moravia Silesia Machinery Works. Manufactures slide valves.
27. Rus. Moravian Machinery Works. Manufactures miner's trucks.
28. Alois Mine.
29. Bridge construction of the Vitkovice Iron Works.
30. Building for the manufacture of screws for the Vitkovice Iron Works.
31. Building for the manufacture of tubes of the Vitkovice Iron Works.
32. Management of the Vitkovice Iron Works.
33. Boiler house of the Vitkovice Iron Works.
34. Garages and firemen stores of the Vitkovice Iron Works.
35. Electric power station of the Vitkovice Iron Works.
36. Hlubina Mine.
37. Hlubina Coke Plant.
38. Machine shop of the Vitkovice Iron Works.
39. Blast furnaces of the Vitkovice Iron Works.
40. Central stores (spare parts) of the Vitkovice Iron Works.
41. Foundry of the Vitkovice Iron Works.
42. Mill for ore grinding of the Vitkovice Iron Works.
43. Stores of ore.
44. T.N.P. Work camp of the Vitkovice Iron Works.
45. Alexander Mine.

Legend to Attachment VI

1. T.N.P. Work Camp at Kuncice nad Ostravici.
2. Agrofera Moravian Machinery Works. Manufactures machines.
3. New iron works.
4. Water supply for the Vitkovice Iron Works.
5. Cellulose Factory at Vratimov.
6. Methane station. Gas conduit for Ostrava-Prostejov now in construction.
